

search\_posts

```
graph LR; A[search_posts] --> B[insert_new_item]; B --> C[heapify_up];
```

A flowchart with three rectangular boxes arranged horizontally. The first box on the left is shaded gray and contains the text 'search\_posts'. A blue arrow points from the right side of this box to the left side of the second box. The second box is white with a black border and contains the text 'insert\_new\_item'. Another blue arrow points from the right side of the second box to the left side of the third box. The third box is white with a black border and contains the text 'heapify\_up'.
