

watch\_suggestions\_by  
\_interests

```
graph LR; A[watch_suggestions_by _interests] --> B[extract_min]
```

A flow diagram consisting of two rectangular boxes connected by a blue arrow. The first box on the left is gray and contains the text 'watch\_suggestions\_by' on the top line and '\_interests' on the bottom line. A blue arrow points from the right side of this box to the left side of a second box on the right. The second box is white with a black border and contains the text 'extract\_min'.
